

Northland Family Help Center has big news! Please see a message from our Executive Director, Shaleen Seward below:

Warm Wishes this Holiday Season. Thank You for your Continued Support.

Northland Family Help Center is grateful for you, our supporter. We hope you and your loved ones are well as COVID-19 continues to impact our communities. For the past 42 years NFHC has provided safety and healing to people experiencing the trauma of domestic violence, sexual assault, child abuse and human trafficking. NFHC remained a beacon of hope this year for hundreds of adults and children seeking help from the effects of abuse. With reports of domestic violence increasing, people need assistance, and we need you! Your support provides counseling, shelter, advocacy, and education to our most vulnerable community members as they begin their journey to safety and healing.

Your support today will do twice the good.

A generous sponsor pledged to match all donations up to \$25,000 this holiday season.

Please take advantage of the opportunity to have your gift matched to help those in need in our community.
